The Bruce is Back!

The Bruce Museum is pleased to announce a partial reopening on Tuesday, August 5. All science galleries and several art galleries, including the special exhibition *Jeremy Frey: Woven* will be available to explore. Some galleries will remain closed as HVAC repairs are finalized.

To welcome you back, the Bruce is offering "Pay-What-You-Wish" admission from August 5-10. We thank all of you for your patience during our temporary closure and we look forward to seeing you soon!

All regular programming will resume. Visit [brucemuseum.org](https://www.brucemuseum.org) to plan your visit.

Bruce Beginnings: Tide Pools

Tuesday August 5, 2025. 10–10:45am, 11–11:45am

Wednesday August 6, 2025. 3–3:45pm

Through a multisensory art activity, a tour of our Permanent Science Exhibitions, and a story we'll dive into the world of the sea and discover the fascinating creatures that live beneath the water's surface.

Children (ages 2.5-5) and their caregivers are encouraged to explore the Bruce's collections and exhibitions through picture books and hands-on activities. This program is free with general admission, but space is limited and is first come, first served. Please see the Visitor Services desk upon arrival.

Museum Movers: Yoga for Kids

Saturday, August 9, 2025, 11am–12pm

Join us for *Museum Movers*, a Bruce Museum yoga class for learners ages 3-6 and their grown-ups. Participants will explore the Bruce Museum's galleries using a variety of sensory and experiential modalities, followed by an exhibition-inspired yoga class. *Museum Movers* uses movement, breath, group games, and creative activities to reinforce the gallery experience. Have fun in our galleries and get to know the Bruce in a whole new way.

Family Day: Sustainable Summer Fun!

Saturday, August 16, 2025, 11am–4pm

Families are invited to the Bruce Museum on Saturday, August 16, for our first outdoor summer Family Day, featuring fun and interactive programming from 11am–4pm!

This year's theme is "sustainability" and we'll be exploring creative ways to care for the planet through hands-on activities, nature-based learning, and community connections.

In the event of inclement weather, all activities will be moved indoors.
