## ***Cinema at the Bruce: Focus on French Cinema***

Sunday, January 11, 2–4pm

Join us for a special screening of the French comedy *The Musicians*. Astrid brings together four Stradivarius instruments for a unique concert. But during rehearsals, the musicians have difficulty playing together. So she calls on the composer of the score to guide them.

This event is sponsored by TV5Monde and Québec.

## ***Fred Elser First Sunday Science: The Dust Bowl***

Sunday, January 4, 2–3pm, Floren Family Environmental Center at Innis Arden Cottage, Greenwich Point Park, Old Greenwich, CT

In the modern world we fear a changing climate will disrupt homes and livelihoods, even cause people to become migrants. Such an event

occurred in the US in the 1930's, displacing farmers across the country. This is their story, as told in song by Sis Cunningham and Woody Guthrie.
