## GENERAL

The Bruce Museum, Inc., a non-profit organization, is proud to announce its THIRTY-EIGHTH ANNUAL OUTDOOR CRAFTS FESTIVAL OF THE BRUCE MUSEUM to be held on May 20 and 21, 2023, on the Bruce Museum grounds. The purpose of this show is to foster and increase an appreciation of unique, handmade crafts. **Our first standard is innovative and contemporary excellence of work to be exhibited, both in design and execution.**

Entries are classified in categories and juried by persons who are working professionals and/or teachers in any of those categories. A total maximum of 70 exhibitors will be selected from the top entrants in each category to form a balanced show. Cash prizes for First, Second and Third in each category will be awarded by professional judges who are authorities in the field of crafts.

## ELIGIBILITY

**1** The show is limited to handmade, contemporary fine crafts only.

**2** The show is open to all entrants, regardless of race, color, creed, sexual orientation or national origin. NO DEALERS and NO SITINS. Entrants may be accepted for three consecutive years, but will then be asked to skip one year before re-applying, in order to keep the show fresh.

**3** All works must be original crafts and solely attributable to and executed and signed by the participant. Multiples of the same general design must also be signed.

**Not permitted are:** casts from commercial molds; kit objects; production leather and clothing; objects which have been commercially made, then dyed, batiked, appliquéed, painted, decoupaged, strung, or otherwise decorated; handicrafts; candles; live or dried plants; food products; fragrances; musical compositions and/or recordings; craft supplies or commercial displays. Please submit a clear explanation of your working process.

**4** The work of only one exhibitor may be displayed in each assigned space. A team producing a single product may qualify as a single exhibitor; however, such a team may consist of no more than two people. Please denote clearly on your application and ensure that both partners sign the application and are both present at the show.

**5** Entries can be made in the following categories: Ceramics/Pottery; Fiber; Glass; Jewelry; Leather; Metal; Mixed Media; Paper; Stone; Wood. A craftsperson may enter a maximum of two categories, but separate sets of images and descriptions of working processes are required for each category.

**6** Works exhibited must be attributable in style and quality to those viewed by the Jurying Committee. The Committee reserves the right to remove single pieces, or any exhibitor whose work varies widely from his/her submission.

## JURY/DEADLINE

**7** Artists are required to send five images of good quality, showing 4 different samples of current work, 1 of the recent booth with work. The booth image is extremely important and often the deciding factor for the jury. Please email your images to [annevs@brucemuseum.org](mailto:annevs@brucemuseum.org) and send paper application, checks and return envelope via postal mail to Bruce Museum c/o Sue Brown Gordon. **Do NOT combine images with applications to other Gordon shows.** Digitals may be in standard ZAPP format (1920 x 1920 pixels) or 1920 pixels in the greater dimension and saved as .jpg files. Please make sure your images have enough resolution. Digital files must be identified with artist's last and first name and numbered 1–5 (**i. e. Smith, John 1**). **Do not** send slides, photographs or actual work. The Committee will not be responsible for loss or damage nor for their return. Please do not apply without a booth image.

**8** The same personal name must appear consistently on your application, images and checks. You will be listed in the program exactly as printed on your application. If two people work together, they must be identified consistently throughout application, images and checks.

**9 Closing postmark date for applications is extended to January 3, 2023.** Please enclose a self-addressed, stamped (double postage), #10 (legal size) envelope. Notes of acceptance/rejection will be mailed in mi-January 2023. Entry fee checks will be deposited on January 30.

**10** The decision of the Jury is final. Incomplete applications will not be considered.

**11** An application and acceptance is a commitment to show. **Refunds can only be made before January 30.** Please contact **both Sue and Anne** by phone or email if you have to cancel. Spaces may not be sublet or sold to other craftspeople. **Participants must exhibit in person during scheduled show hours;** leaving early without acceptable excuse will make exhibitors ineligible for admission to future shows. There will be no rain date.

## **EXHIBIT SPACES**

**12** Exhibit spaces measure approximately 10' x 12', and are **mostly on pavement.** At the discretion of the Committee exhibitors may be allowed two spaces; all will be assigned to provide optimum exposure for each participant. If you are requesting space next to someone, this must appear on **both** applications.

**13** All participants must provide their own attractive display, sturdy enough to withstand crowds, wind and weather conditions, and must be securely weighted down. Please be prepared for uneven ground. Tent heights may not exceed 10 feet. Since the show is held outdoors, electricity cannot be provided.

**14** Each exhibitor is responsible for his/her own property in the event of loss, damage or personal injury, and is asked to keep his/her space clean.

## **FEES/SALES TAX**

**15 Fees (two separate checks), payable to Bruce Museum, Inc.** The Jury fee is \$20. It will be deposited upon receipt and will not be refunded. The Entry fee is \$420 per space. This check will be deposited only upon acceptance to the show (January 23, 2023), or else will be returned.

**16** To do business in Connecticut, **exhibitors must have a currently valid Connecticut Sales Tax number.** Please download the sales tax application form or apply online at [www.CT.gov/DRS](http://www.CT.gov/DRS) or call 1 (800) 382-9463.
